My dear Mr. Muir:

Your letter of the eighth instant is received and I note with pleasure your approval of my course in connection with Hetch Hetchy affairs. I am pleased to get the information contained in your letter and also your commendation of my course in demanding a sweeping investigation.

I will have in a short time from Director Smith of the Geological Survey and the engineers who are assisting him a report on our investigations in the Yosemite during the past summer. When it is in proper form I will be pleased to forward a copy to you. With very best regards, I remain,

Yours faithfully,
